

LOUD, BRITISH, BASS-LED HARD ROCK

BOX OF RULES · BRIGHTON, UK

Work smarter, not harder. That's why **Box Of Rules** only needs one bass guitar to be the entire string section: big riffs, heavy hooks and perfect tones. Two singles are out now, including a loud rebuild of **Bulls On Parade**, with the debut EP **Bass, Drums, Vocals. Sometimes Theremin** to follow in August 2026.

FOR FANS OF Royal Blood · Tool · Mastodon · Muse · Biffy Clyro · Rage Against The Machine · Highly Suspect
